### **ECS AG Appoints ECS Ltd as it's Approved Distributor for UK & Ireland**

ECS AG has announced the appointment of ECS (Electromech ECS Limited) as its Sole distributor contractor in the UK for its Cleaning Solution products, which are extensively used for ATM's, Card Operated Telephones, Bank Note Acceptors, Office Equipment, EPOS and other purposes.

Welcoming the deal, Mr Beat Wyss, ECS AG General Manger, CEO, said: "We are delighted to have reached agreement with ECS to sell our range of cleaning solutions. The company has an excellent reputation, and we are confident that it will provide a level of service, which matches the high standard of ECS AG".

"Our cleaning products consist of over 500 professional cleaning products. Ranging from cleaning cards for ATM's to cleaning pads for MEI Bank Note Acceptors. When manufactures, operators and service personnel use these products on a daily basis, they will ensure that a clean environment is kept and a decrease in machine down time is maintained, saving time and call outs".

Robert Cottingham, Managing Director for ECS Ltd said: "As a company we are committed to working closely with leading businesses in each of the sectors we operate in. ECS AG has an enviable reputation in Switzerland, Germany, USA, UK and soon to be globally, and we are very pleased to have been appointed as their sole Distributor Contractor for the UK and Ireland."

ECS Limited specialises in repairing electromechanical and electronic equipment. The company aims to be the preferred choice for customers in each of its markets, by offering superior quality, service and value.
