Subject : Appointment of UK/EIRE distributor, Transport Industry

Dear Madam, Dear Sir,

MEI recently finalised its reorganisation in channel structure by creating two distinct European teams for the Transport and Retail activities.

As part of this change, we are pleased to announce the appointment of Electromech ECS Limited, previously an Approved Service Company for the MEI note acceptors range (BSN/BNA series), to the status of official MEI distributor for United Kingdom and Ireland, dedicated to the Transport & Parking industries.

From February 12th 2007, orders for MEI note acceptors, spare parts, software & bill sets, spare units (acceptor, cash boxes), shall be directed to Electromech ECS.

Thanks to the positive experience acquired by ECS as an MEI Approved Service Company over the recent year and based on the good performance delivered in this context, we are confident that our newly appointed distributor will provide the excellence in service & support that represent our standard.

ECS key operational contacts within MEI will remain Fabrice Widmer, customer service representative, and Jean-Pierre Guérin, area manager.

We thank you in advance for forwarding this note to whomever it may concern in your organisation, in the meantime, we remain,

Sincerely yours.
